DEDICATION

To our helpful and understanding teacher who has given unselfishly of her time and ability, and to show our appreciation for her sincere interest and untiring effort in making the FIDELIS and BENGAL ECHO possible we, the Annual Staff, respectfully dedicate the yearbook to our sponsor--MRS. DOUGLAS MC LAREN

PRINCIPAL'S MESSAGE

The FIDELIA gives me the opportunity to express my appreciation of the student body of the Logansport High School. Each year that I am Principal of your school I realize more fully what it means to have the privilege of working with girls and boys.

The primary function of your education, and certainly the desire of your teachers and myself, is to help you attain openness of mind in examining what is around you and equipping yourselves with a sesire to add something worthwhile to this challenging age in which we live. Never before has an age felt such a great need for the leadership of the youth of our nation; it must be a leadership of depth and intensity of thinking and feeling filled with alertness. It is in you, the boys and girls of our school, that we as adults are placing our confidence for this needed leadership of our country in the future.

♡ Dearest Jimmy, (Reserve) ♡

So to start off I think the world of you and love you very much. I hope that you will always have the best of luck in every thing you do. But what ever you do please don't change because I love you the way you are and besides you'll go a long way if you don't. Don't ever forget our double dats and all the fun we've had and are going to have. We've had our little fights but we've always worked them out one way or the other. Remember our first date on the 13th which is supposed to be a unlucky day, instead of it being unlucky it was a very lucky day for both of us. Every touchdown you make you get a Big Kiss from me. I hope that, that will be a bunch of them except when you play Mansfield if you make one when you play us you get a big Kick. I'm about to run out of things to say so I want to wish you the best of luck and I all so want to tell you something that you already know you mean more to me than any other person in the world and I love you very much, may God Bless you. Stay Sweet

I love you Always
Liz Sebastian
